

MKB Bank provides 1 billion forints towards the fight against coronavirus

Budapest, 13 March 2020 – At the initiative of Chairman-CEO Dr. Ádám Balog MKB Bank Nyrt. is to provide today 1 billion forints to support government efforts related to the fight against the coronavirus, particularly to facilitate measures aimed at informing and protecting elderly citizens.

Dr. Ádám Balog, Chairman-CEO of MKB Bank said:

'I believe there is no particular need to explain if a bank of Hungarian ownership background is the first one to feel obliged to help Hungary. At the same time, MKB Bank has been looking for ways at the highest expert level to support customers in respect of mitigating the potential negative economic impacts of the coronavirus and to cooperate with government bodies and market actors in this matter.'
